The Class of '49 is the first class to enroll at Milligan College since the departure of the Navy V-12 Units in 1945, and it is the largest class ever to be graduated from Milligan.

There are fifty-seven candidates for degrees—thirty-five Bachelor of Arts and twenty-two Bachelor of Science Degrees.

With the seniors coming from Alabama, Kentucky, Mississippi, Pennsylvania, Tennessee, Virginia, West Virginia, and Puerto Rico, this graduating class offers proof positive that the fame of Milligan College is indeed widespread. We who are now leaving our fair institution hope that in years to come the good reputation of our Alma Mater will be further enhanced by the work which we shall do in our various fields of endeavor.

"The falls roar on, the waters dance . . ."

Milligan's campus is richly endowed by nature and is universally admired. It is a panorama of beauty. The groves of trees, the shrubbery, the winding "Buffalo Creek" with the oaks on the hillside, make it a scene where truly "the heavens declare the glory of God; and the earth showeth His handiwork."

WHO'S WHO IN AMERICAN COLLEGES AND UNIVERSITIES

HENRY EVANS

CHARLES FITZSIMMONS

WILLIAM SMALL

MARTHA BUNTON

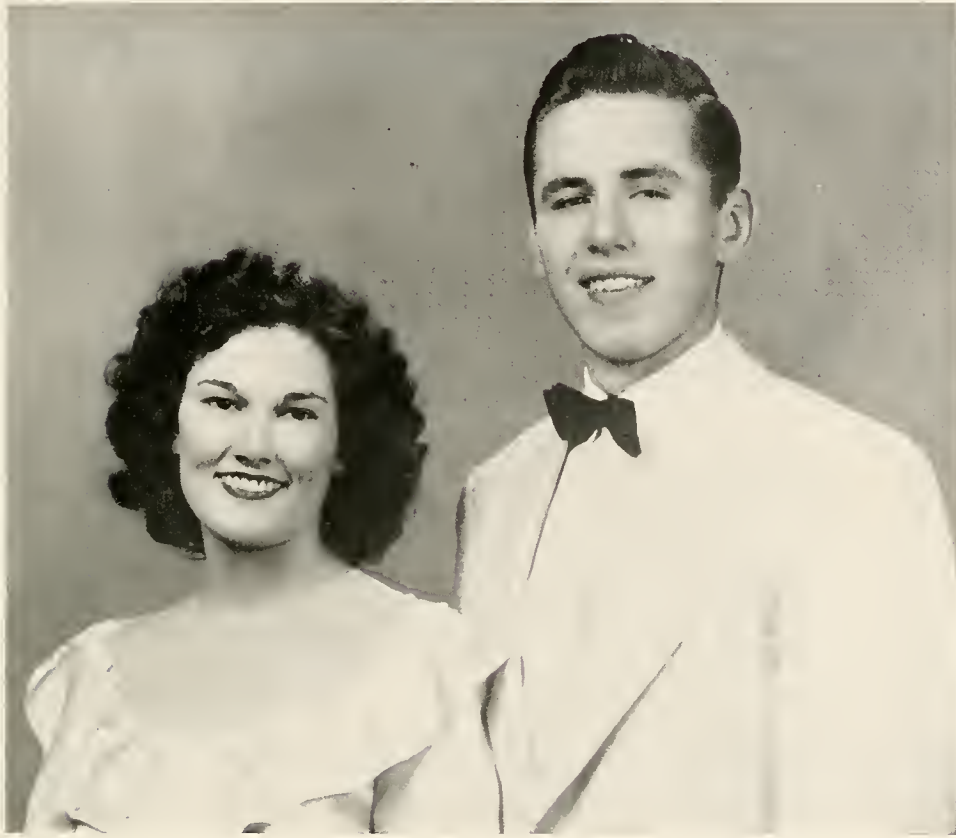

MARTHA NOBLITT

Every year on the campuses throughout America certain students are chosen for their outstanding college careers. Their names, with a short biography, appear in an annual publication known as "Who's Who in American Colleges and Universities."

The five seniors shown above were chosen to represent Milligan College for the school year 1948-49.

We believe that our pride in them is justified. We extend our warmest congratulations—may their future success know no bounds.

THE MILLIGAN COLLEGE CONCERT CHOIR

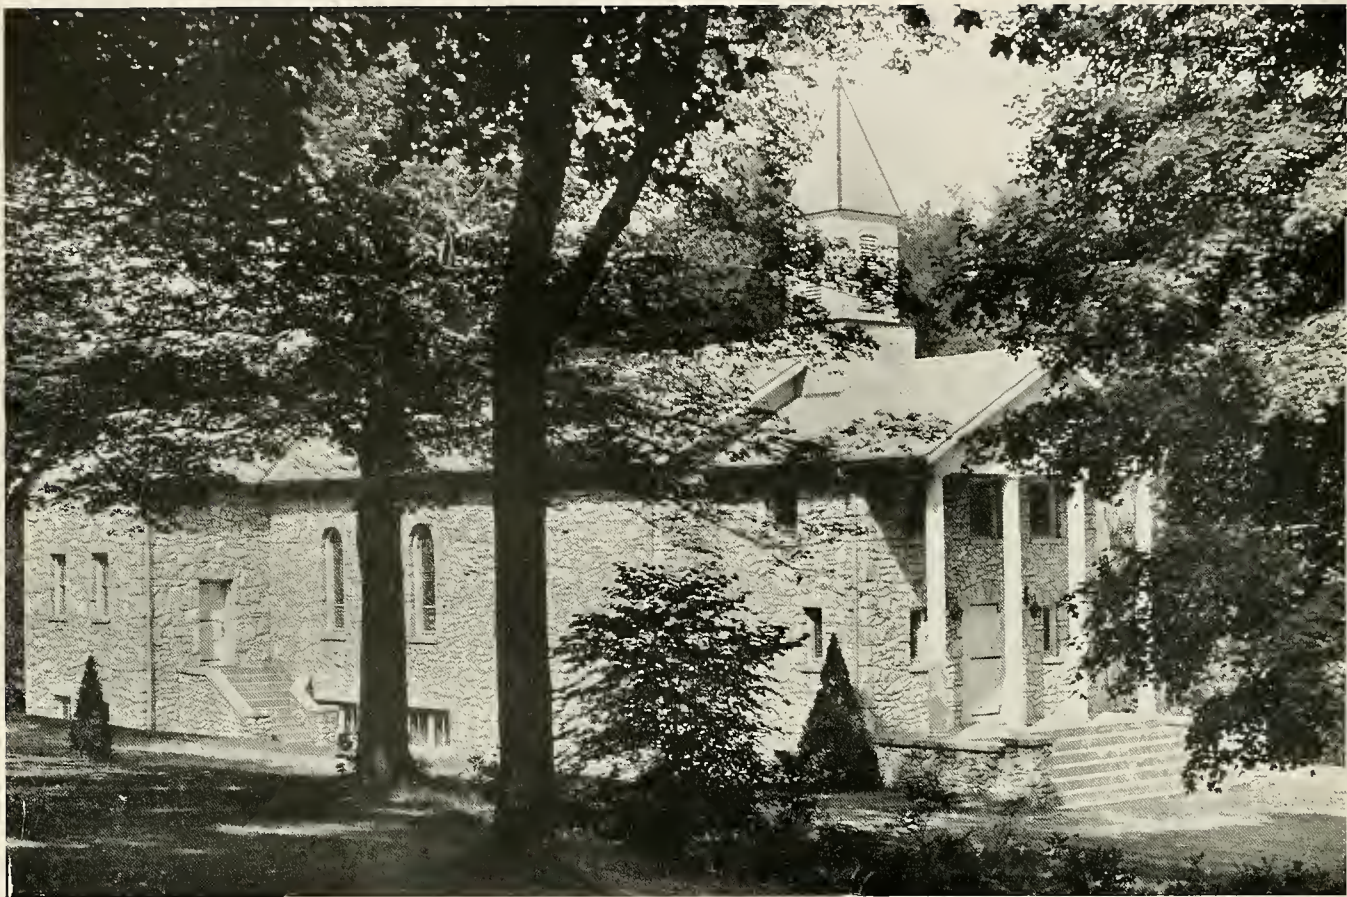

The Milligan College Concert Choir, consisting of thirty-five to forty mixed voices, was organized in the fall of 1946 by Mr. and Mrs. E. Gordon Warner.

The Choir to date has made five concert tours—traveling nine thousand miles in seventeen states and the District of Columbia, singing in Christian Churches, high schools, and radio stations. Altogether the Choir, including local appearances, has presented over a hundred music programs. Among the larger cities in which the Choir has sung are Chicago, Philadelphia, and Washington, D. C.

The Choir always strives to maintain a high standard in the selection of its literature as well as in the performance of it.

The Choir, besides training its members musically and socially, that is, socially in the best sense of the word, acts as an agent of goodwill in public and church relations for the Christian institution it represents, not only on a broad basis geographically, but in a variety of other ways. Its ideal, as an organization, is the attainment of higher character for its individual members, and in Christian service for all through the medium of good music.

E. GORDON WARNER, *Director*

HOPWOOD MEMORIAL CHRISTIAN CHURCH

The present Hopwood Memorial Christian Church on the campus has a long history. There was a flourishing congregation in 1836 when the church was known as the "Buffalo Creek Christian Church."

Work was begun on the present structure toward the close of President Derthick's administration and on Easter Sunday, April 13, 1941 this new building was dedicated with C. E. Burns, then acting President of Milligan College, bringing as the Dedicatory address, "Five Years of Building."

It was at this time that the name "Hopwood Memorial Christian Church" was given in memory of Josephus Hopwood, who came to Tennessee and began Milligan College. Since then, thousands of young people have received rich spiritual blessings as they have worshipped in the church.

CHRISTIAN ENDEAVOR

JOHN CALDWELL.....*President*
 ROBERT WHITE.....*Vice President*
 DELORES COOKE*Secretary-Treasurer*

The young people of the college meet each Lord's Day evening at 6:00 p. m., in the Hopwood Memorial Church. Problems of interest to the development of Christian character are discussed and many social events are carried on throughout the year. The meetings allow for much self expression and creative ability.

Miss Welshimer, teacher of the College Bible Class, is sponsor of the youth group.

THE CHRISTIAN SERVICE CLUB

JOE CRAIN*President*
 MARSHALL LEGGETT.....*Vice President*
 SHIRLEY DEARMOND.....*Secretary-Treasurer*
 MISS WELSHIMER.....*Sponsor*

The Christian Service Club is composed of students who are interested in Christian service in all walks of life. Members are not only Bible majors but Business, Educational, Pre-Med, and other majors.

Under the direction of Miss Welshimer, ten Gospel Teams were formed. These teams provide devotional services for the college chapel assemblies, nearby high school programs and for many churches. The teams have given programs in churches in Tennessee, Kentucky, West Virginia and Ohio.

The College Prayer Room is a project of this group. This room is open at all times for the students to pray and meditate. Each morning students go to the Prayer Room before they begin the school day. The weekly club meetings are held in this room.

The club sponsored a Youth Revival last fall with Paul Jones, minister of the Christian Church at Hillsboro, Ohio, as the speaker.

MINISTERIAL ASSOCIATION

The Milligan College Ministerial Association began April 12, 1948. In a meeting of ministerial students, April 16, 1948, a Constitution Committee was appointed, and on April 27, a tentative constitution was formulated. In the first called assembly on April 30, the temporary constitution was read, and was confirmed in a special meeting May 7. The officers elected were William Small, president; Leroy Wright, vice president; and Claude Calaway, secretary-treasurer.

The Milligan College Ministerial Association exists for the purpose of providing an organization through which the ministerial students of the College can find fellowship and be mutually helpful one to another in matters concerning their life and work in the Church and College. Believing that there is in this generation the task of perpetuating the ideals and work put forth by the people of faith and vision who founded and built Milligan College, the membership of this Association endeavors to

*Create and maintain a Christian spirit on the campus.
Seek to uphold the Christian ideals and standards
of Milligan College.*

*Encourage the Ministerial students to maintain the
highest possible standards of Christian Character*

*To assist students in finding places of service in
nearby churches.*

*Help build the strongest Bible department at Milligan
College.*

Membership, open to all men officially enrolled at Milligan who are preparing for the Christian Ministry, is also based upon certain specific qualifications. Scholastically, a member must maintain an average grade of "C". He must be fully endorsed by his home church. Above all, his daily living must be unquestionably Christian. A breach of anyone requirement may forfeit membership in the organization.

Officers are elected from among members of the three upper classes, and during the tenure of their offices, they are not eligible to hold office in any other organization of the College.

The Association functions under a system of six committees, the last of which is an advisory committee consisting of the President of the College, and members of the faculty who are teaching in the Bible department. There is no provision for an Association sponsor.

Upon the formation of the Association in April, 1948, there were seventeen charter members. At the beginning of the spring semester, 1949, there was a membership of twenty: six freshmen, four sophomores, six juniors, and four seniors. Of this group seven are ministering to churches full-time; six have part-time ministries.

Each year in October an installation service is held in the Hopwood Memorial Church, at which time new members are formally accepted into the Association.

SERVICE SEEKERS

EVELYN LARGE.....*President*
 MARY PERRY.....*Vice President*
 DEAN MILDRED WELSHIMER.....*Sponsor*

A new organization on the campus this year is the group called the "Service Seekers." This organization is composed of twenty-two young women who are majoring in Religion. Four of the group are preparing for mission work in foreign countries and the others are planning for home mission work.

Meetings are held once a month at which time the many Christian activities for women are discussed.

THE MILLIGAN COLLEGE PRE-MED CLUB

BILL STANFIELD.....*President*

CHARLES ANDERSON.....*Vice President*

PROF. LONE SISK.....*Sponsor*

The Milligan Pre-Med Club is a student organization of those who are preparing to enter medicine. The members meet every two weeks throughout the year and work continuously to increase the interest in Pre-medical work.

During the school year 1948-1949, the club obtained a skeleton for the Biology Department and added several volumes of medical books to the library. Guest speakers from among the local doctors and dentists made the meetings more interesting and profitable. The club is gratified to know that a number of the senior members have been accepted for graduate work and will be in medical schools next year.

HOME EC CLUB

DOROTHY RIDDLE.....*President*

CATHERINE HOWELL.....*Vice President*

The Home Ec Club has long been a part of the activities of the Milligan campus. This year, under the direction of Mrs. Vanlandingham, the club has proved a successful one although the membership is smaller than last year.

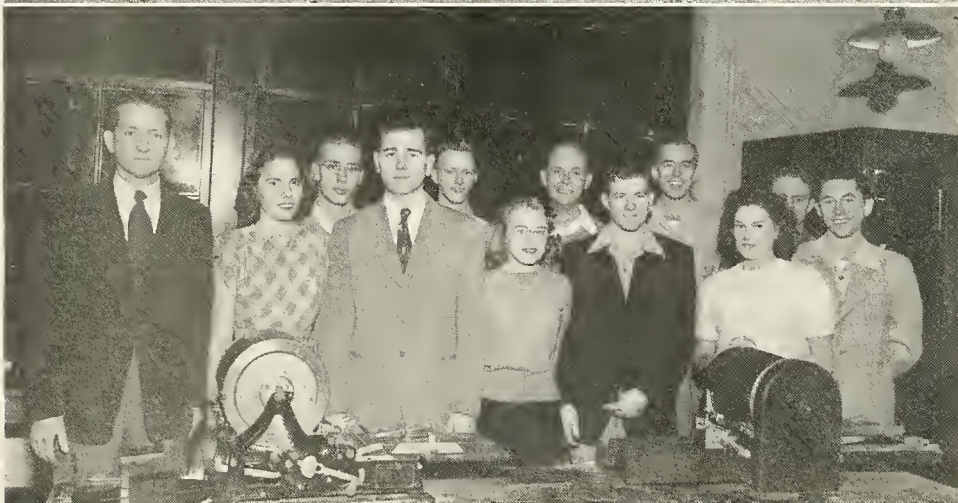

The girls worked on conditioning the Home Ec Cottage and enjoyed several social gatherings.

THE BUFFALO RAMBLERS

ELLEN AUSTIN.....*President*

ROGER CLITES.....*Vice President*

"A hike into the country every now and then does us all good."
So say the members of the Buffalo Ramblers as they are off for a cross-country hike. The outdoors is almost a laboratory for this group.

THE COMMERCE CLUB

KERMIT HALL*President*

MILDRED BOLLING.....*Vice President*

Organized to promote interest in and understanding of business, the Commerce Club is a vital part of the life of those studying Business Administration.

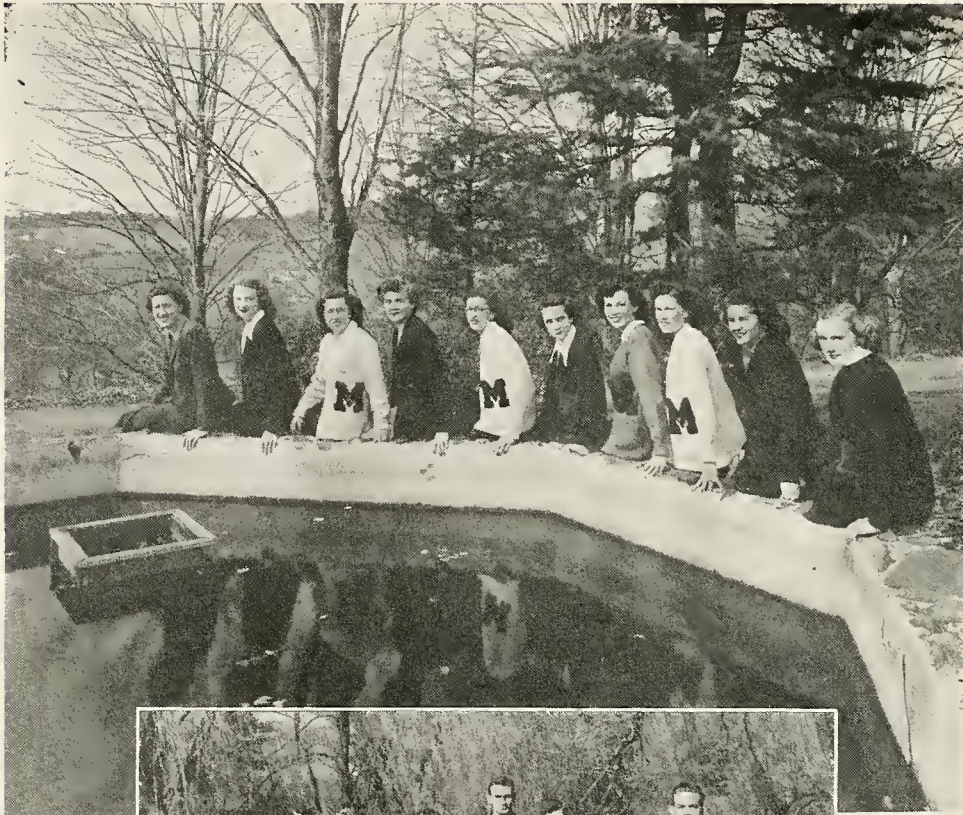

THE DRAMATIC CLUB

Many times during the year the Dramatic Club entertained the student body in assemblies and at special seasons of the year. The outstanding production was "The Goose Hangs High" a comedy in three acts. The Commencement plays were well received and a credit to the work of the Club. Dr. Jennie Lorenz is the director of play productions.

WOMEN'S ATHLETIC ASSOCIATION

ANN VONCANNON.....*President*

The Women's Athletic Association promotes the athletic program for Milligan girls. This club has been responsible for a strong Women's Intramural sports program.

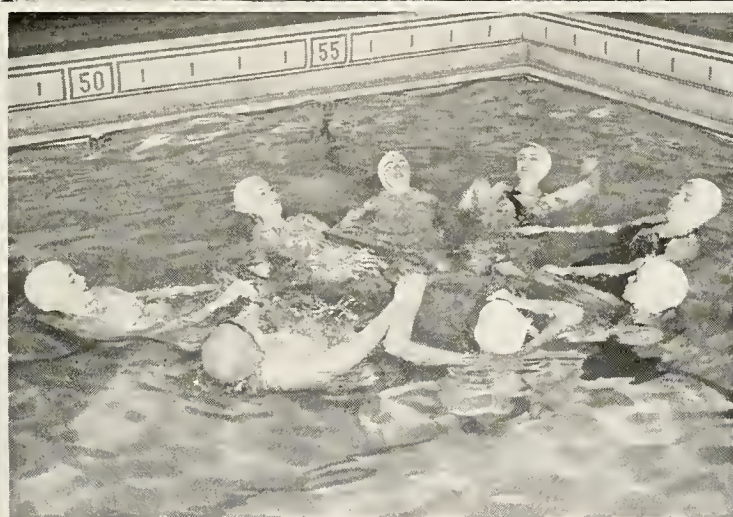

PHYSICAL EDUCATION CLUB

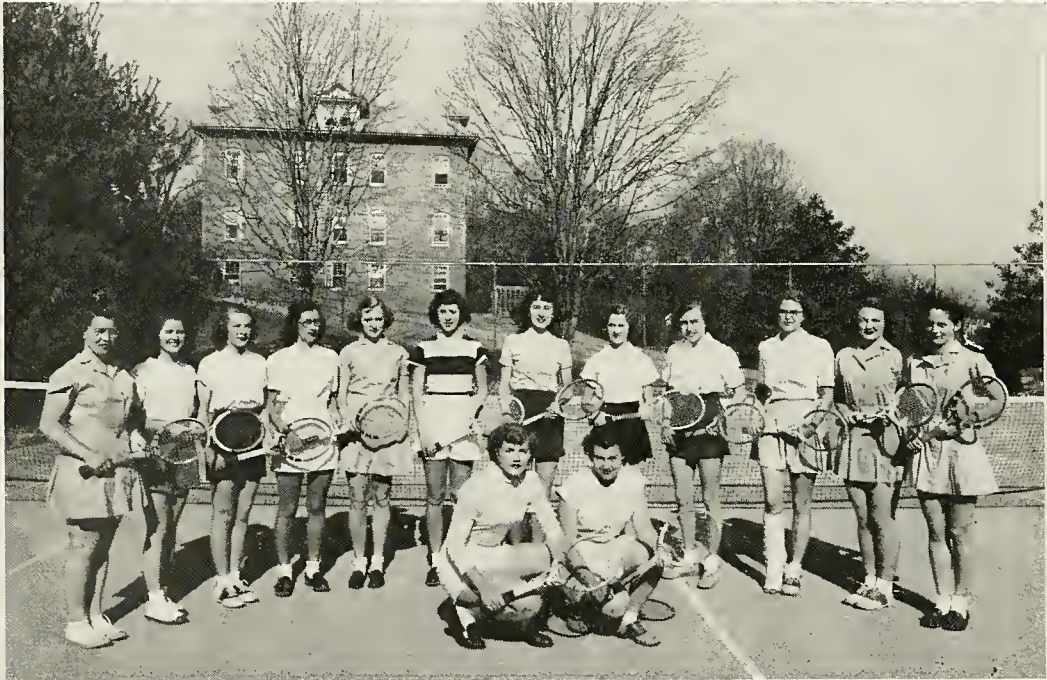

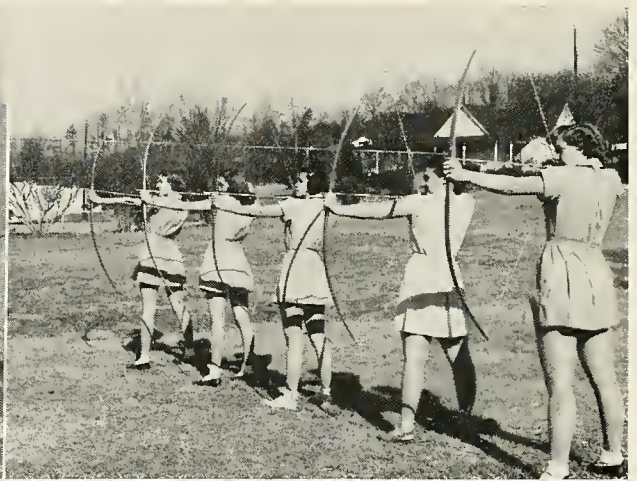

ERNEST ELLENBURG.....*President*

The purpose of this club is to inform those interested in Physical Education of the new developments in this field. It offers opportunity for social gatherings and professional meetings for those who plan to teach Health and Physical Education.

SUMMARY 1948 FOOTBALL

L SCHEDULE

Salem	0
Emory and Henry....	0
Tampa University....	13
Southeastern	14
Tusculum	0
Stetson University..	7
M. T. S. C.....	0
Carson Newman.....	7
Tenn. Wesleyan	7
W. Va. Tech.....	7
East Tenn. State.....	0

Playing the toughest schedule in the history of Milligan football, the Buffs, were impressive in every game of the season. All games were close and bitterly fought from start to finish. The Buffs opened with a 25-0 victory over Salem; then followed with a 6-0 victory over Emory and Henry and a 20-13 surprise win over Tampa University. Against Southeastern Louisiana in New Orleans the Buffs dropped their lone game of the year 14-0. On return the Thundering Herd began to roll. On successive weekends Tusculum fell 7-0; Stetson 13-7; Middle Tenn., 7-0; Carson-Newman 19-7; Tennessee Wesleyan 19-7 and West Virginia Tech 21-7. The season finale was a 0-0 deadlock with East Tennessee State.

The Buffs were a surprising team all season. In six games football experts picked the Buffs to lose. On each occasion the Herd won by a single touchdown, and none of the teams scored against the Buffs more than twice.

The season was full of high lights but perhaps the star that will glitter the longest was the thundering triumph over Carson-Newman, 19-7. Battling a more experienced flock of Eagles the Buffs were never better than they were at that game.

The Homecoming affair with Stetson University was probably the most colorful as the Buffs came out with a brand new version of the T formation to win 13-7. This marked the first full game under the popular T brand of football. Alumni were more than pleased to see their Alma Mater sweep up the gridiron on a series of wide T plays.

Team co-operation and hustle were the outstanding features of the team which was without any individual stars honors were well scattered all season. Visiting scouts and opposing coaches were quick to tag the Buffs as a versatile team which could switch from the Single Wing and Short Punt formations to run the T and Winged T with finesse and precision. Being able to switch as they were, the Buffs were never hurt too much by the scouts who sat in the stands by the dozens.

BASKETBALL TEAM

First Row—GRIZ, GOUGE, HYDER, HATHAWAY, DUMISINECZ

Second Row—KENNEDY, SHEPHERD, MIDDLETON, PRIDEN, AMMERMAN

BASKETBALL 1948-49

"The Whiz Kids" were one year older, with one more year of experience under their belts when the season opened. Too, most of them were sophomores as the year began. The "Beat Milligan" shingle was hanging in the dressing room of every small college in three states. Everyone was aware of the fact that the Buffs were on the spot in this season after having cavorted to such unprecedented heights in 1947-48. Milligan's Thundering Herd had a record to defend having won 33 times in 43 games, scoring 2,762 points.

Following much the same pattern as they did in 1948, the 1949 Buffs dropped 6 of their first nine games losing to Marshall, William and Mary, Erskine and South Georgia Teachers. Following the Christmas holidays however the high powered Buffs swung into high and began to unloose their fury on one small college after another. L. M. U. was the only Smoky Mountain team that stopped the Buffs.

Milligan split with the following teams during the season: State, L. M. U., Berea, Cumberland, Austin Peay, Middle Tennessee, Erskine. They posted two wins against the following: King, Emory and Henry, Cumberland, Pikeville, Carson-Newman, Tusculum.

The Buffs set a new scoring record for the annals of Milligan athletics. In 40 games they scored 2,794 points for an over all average of 69.9 points per contest, winning 26 and losing 14.

The Herd won the consolation trophy in the Volunteer State basketball tournament and the Tournament of Champions in Johnson City. In the VSAC at Clarksville, the Buffs were defeated by L. M. U. 68-64 in the Semi-finals after having set a new tournament scoring record by whipping Cumberland 88-67 in the

opening round. In the consolation game the Buffs broke their own record and set another scoring mark by whipping Union University 91-65 for the third place honor. The Buffs also set a new scoring record in tournament play for three games posting 243 points for an average per game of 81 points.

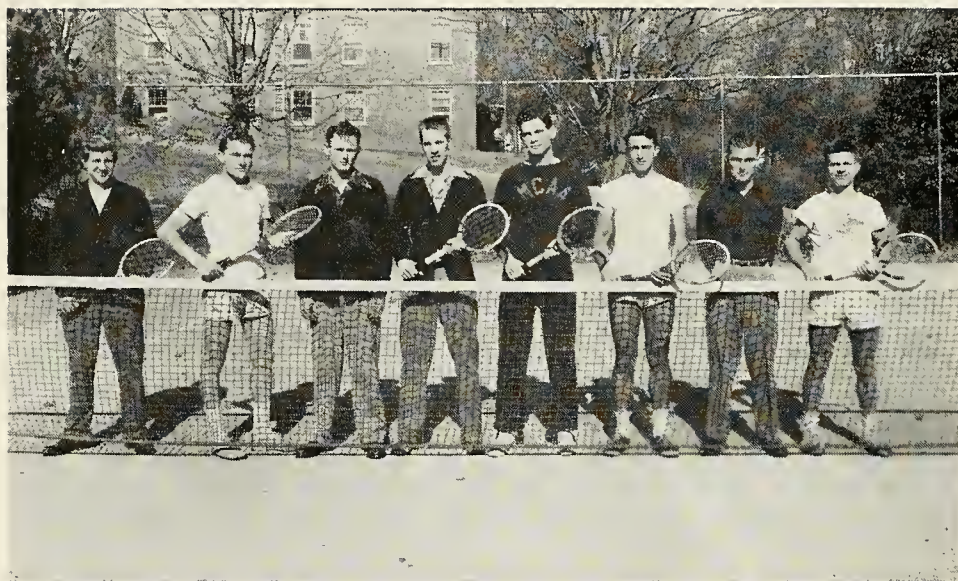

Many local sports fans felt that the 1949 edition of the Buffs was hardly up to the team of the previous year. Many argued that they were better since they faced tougher opposition this season and since every team their own strength was pointing for them.

Kenny Hyder, Sid Hathaway, Kyle Middleton, Carl Gouge, and Paul Griz led the offensive for the Buffs. Carl Shepherd and Frank Dumisinez chalked up the best defensive efforts. Kenny Hyder led the scoring with 575 points followed closely by Sid Hathaway. Hyder won the free throw percentage trophy. He tossed in 77 percent of all foul shots during the season. Hyder was selected to All VSAC team and Hathaway, Hyder and Gouge were selected on the ten man all tourney squad. Kyle Middleton was voted the outstanding player of the season. Sam Priden, Dick Kennedy, and John Ammerman rounded out the ten man squad with Priden being tabbed as potentially a great player in his second year at Milligan.

With the smoke clearing after two seasons with the "Whiz Kids" a few things are definite. Milligan will win ball games next season, they will score if given the chance and they will give this area fast furious type of play. In the last ten games of 1949, the Buffs won 8 and lost 2 and scored 839 for an average of 83.9. This was by far the smoothest, best ball the Buffs have played in the past two seasons.

CHEERLEADERS

Milligan's Cheerleaders did an excellent job this year. They kept spirits up when scores went down. This loyal group deserves much credit for the Buffalo victories.

"M" CLUB

JACK CALDWELLPresident

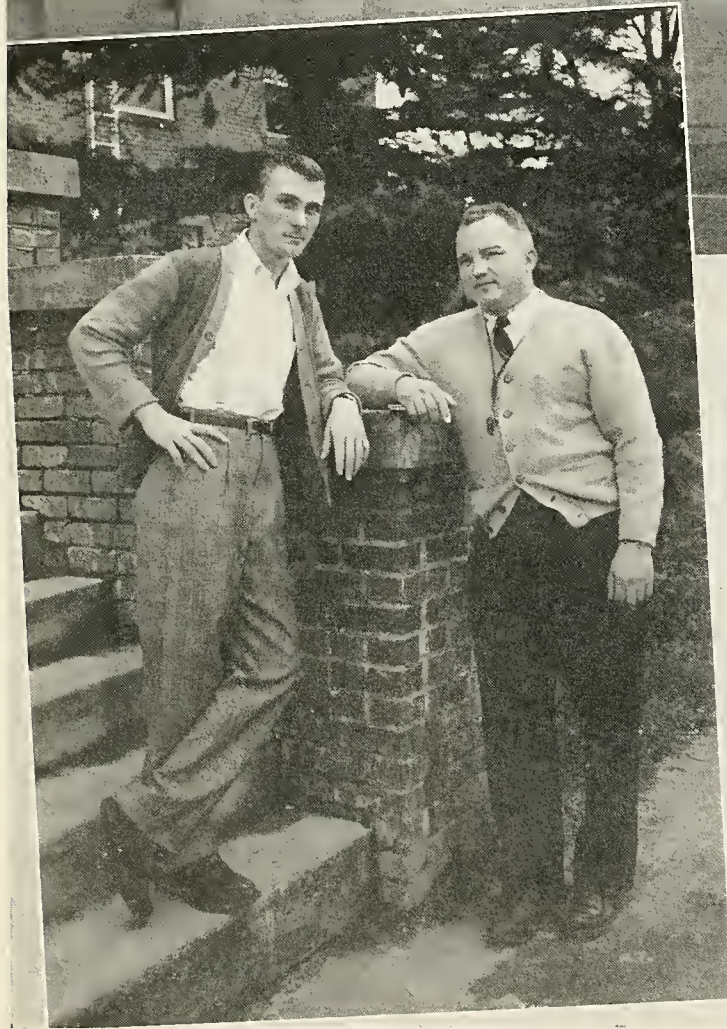

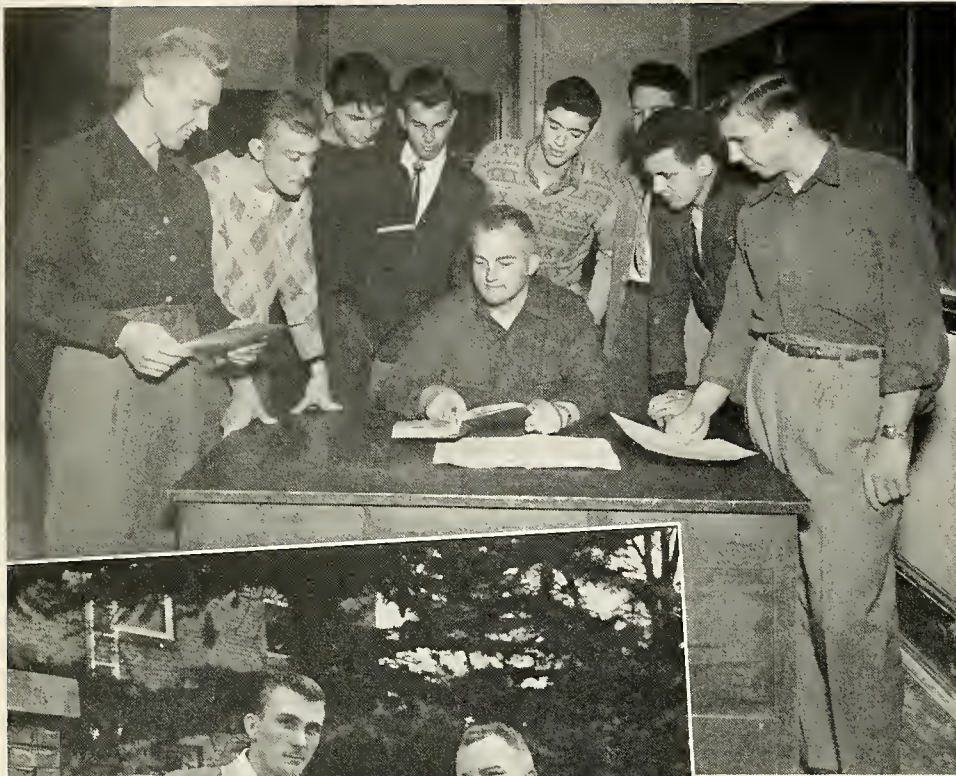

Those men of Milligan who earn the right to wear the Milligan "M" have a club who served well in backing Milligan sports. They were host to the high schools who came to the campus for the Milligan Relays.

MEN'S INTRAMURAL SPORTS

At present ten sports including nine-man touch football, tennis, cross-country, volleyball, softball, basketball, wrestling, swimming, table tennis, and boxing, make up the program.

There have been many good individual performances and records and the interest in intramurals in the field of sports has increased greatly at Milligan.

INTRAMURAL COUNCIL

The purpose of the council is to provide recreational opportunities for all men students enrolled in Milligan College.

Student Director
FRED W. WALLENFELSZ

Junior Manager
FRANCIS POWERS

Sophomore Managers
WALTER SMITH
CARL CAGLE
ERNEST ELLENBURG
WES ARINGTON

Freshmen Managers
BUNKY BULL
JOHN AMMERMAN

Faculty Advisor
GEORGE A. BROWN

Under the guidance of Professor Brown and Student Director Fred Wallenfelsz, Intramurals at Milligan College have become an official organized part of the college program with over 400 men participating.
